Washington, D.C. 20231

**RESPONSE TO NOTICE TO COMPLY**

Dear Sir:

This is in response to the Notice to Comply mailed April 26, 2002.

**REMARKS**

Applicant submits herewith a substitute sequence listing to correct invalid <213> responses on the originally submitted sequence listing. Applicant has enclosed a substitute sequence listing (both paper and computer readable form versions) that contains the sequences shown in the specification.

In accordance with 37 C.F.R. § 1.821(c), enclosed is a substitute paper copy of the Sequence Listing. Applicant respectfully requests that the application be amended to include the substitute paper copy of the Sequence Listing as part of the application.

In accordance with 37 C.F.R. § 1.821(e), enclosed is a 3.5 inch computer disk that contains a computer readable form of the paper substitute Sequence Listing. The disk is in IBM PC format and contains the computer readable form of the paper "Sequence Listing" in ANSI text format, as the file name "03848-00050 seq listing.ST25". The computer readable form of the sequence listing is identical to the sequence listing submitted on paper, as required by 37 C.F.R. § 1.821(f), and contains no new matter.

**STATEMENT UNDER 37 C.F.R. § 1.821(f)**

In accordance with 37 C.F.R. § 1.821(f), I hereby state that the hard copy and the computer readable form of the Sequence Listing submitted herewith in the above-identified patent application are supported in the application, contain no new matter, and contain the same substantive sequence information.

Respectfully submitted,

Dated: May 3, 2002
